

Proposed spending of Pupil Premium Allocation 2017-2018

School context

Plaistow is a two form entry school serving a very disadvantaged socio-economic area. The percentage of pupils entitled to FSM is 52.8% which is significantly above the national average of 26.0%. The vast majority of pupils come from a minority ethnic background and have English as an additional language.

Pupils entering reception often have very little or no pre-school experience and a majority are at an early stage of English.

Objectives for Pupil Premium Spending 2017-2018

A key priority for the school is to achieve above national standards for all learners and narrow the attainment gaps between groups. The school continuously monitors all areas of work to help identify areas for improvement.

Pupil premium allocation £220,440
